

# Research Award Available

## The Nebraska Native Plant Society

has funds to support research related to native plants in Nebraska

We hope to make one \$900 award.

**Applications must be received by  
February 28, 2018**

Applicants should submit the following:

1. A 500-700-word description of the project, explaining your research and its goals.
2. A brief budget explaining how the funds will be spent.
3. Your resume including information on qualifications.

These materials should be submitted electronically (pdf or Word) to [rachelsimpson7@gmail.com](mailto:rachelsimpson7@gmail.com)

Include "Nebraska Native Plant Society grants" in the subject line.

You will receive confirmation of the receipt of your application.

---

The mission of the Nebraska Native Plant Society is to promote the appreciation and conservation of Nebraska's native flora and to foster education and research on Nebraska's native plants.
